NOTICE OF PROPOSED RULE MAKING

Adopted: July 31, 2002;

Released: August 9, 2002

Comment Date: September 30, 2002

Reply Comment Date: October 15, 2002

By the Assistant Chief, Audio Division:

1. Before the Audio Division for consideration is a multiple docket *Notice of Proposed Rule Making* setting forth separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules (47 C.F.R. § 73.202(b)). Each petitioner has stated that it will apply for its requested channel, if allotted. Each proposal warrants consideration because it complies with our technical requirements and would serve the public interest.

2. This is a multiple docket *Notice of Proposed Rule Making* issued in response to a Commission *Public Notice* released October 2, 1998 (DA 98-1987). We are combining separate FM allotment proposals into a single *Notice of Proposed Rule Making*. Each proposal has its own docket and rule making number and the Commission's Reference Center will maintain a separate file for each docket. As discussed in the *Public Notice*, this procedure will conserve Commission resources and expedite the processing of FM allotment petitions for rule making by avoiding duplicative actions. We request comments and/or counterproposals to the following proposals:
